**Year 12 VCAL students from Sacred Heart**

*do their best to communicate and interact positively with others* (BVS Vision)

Last Thursday a group of VCAL students from Sacred Heart visited BVS. They ran an amazing rotation session with S9 & S10 including clay construction, treasure hunts, tabloid sports and marble painting. All students are to be commended on demonstrating our school values – teamwork, fun, respect, support and dignity. A great time was had by all.
Aquatic Learning Centre (ALC)
….do and be our best while having fun……. (BVS Mission)
This week some of the Junior Learning Community groups will begin learn to swim classes in the ALC. Everyone is very excited about this program.
I am pleased to report that the ALC is now being used for aquatic physiotherapy and learn to swim classes with students from across the school.
