BVS VISION
Our students will graduate as happy, confident individuals who do their best to communicate and interact positively with others, be as independent as possible and make their own choices, be actively involved in and contribute to their community, continue to learn and experience success in their future pathways.

PRINCIPAL REPORT

School Hats
Barwon Valley is a SunSmart accredited school. With the weather well and truly warming up please make sure you provide a hat for your child/ren to wear outside during programs and break times.

Cyber safety Parent Information Evening
I strongly recommend parents/carers attend this information session tonight. We have a guest speaker coming from the Australian Government Office of the Children’s eSafety commissioner Outreach Program.
Swimming Program
Swimming Programs have started this week for some of our classes in the Junior Learning Community. This is a great opportunity for our students to increase their familiarity with water, to learn new skills and have some fun with their classmates and staff. Please remember to send swimming bags with all requested items.

SLC Movies
Many students from the Senior Learning Community are going to Reading Cinemas today to see “Odd Ball”. This is a much anticipated annual event in the senior school calendar and we hope they all have a great time. For students remaining at school, an alternative program of fun leisure activities has been planned for the morning.
