Cybersafety Parent Information Evening Thursday 15th Oct 7-8.30pm
I strongly recommend parents/carers attend this information session next Thursday. We have a guest speaker coming from the Australian Government Office of the Children’s eSafety Commissioner Outreach Program. Currently we have only been notified by 3 families of their intention to attend, and we may need to cancel the session if we do not have more interest. Please let us know ASAP if you intend to come, to assist our planning.

More information is available on the website https://www.esafety.gov.au/
**Building works during school holidays**

During the recent school holidays work continued on the Junior Learning Community yard development. As part of the upgrade to our play spaces using the theme ‘Where the Wild Things Are’, we have replaced some of the classroom courtyard fencing, and installed some ‘day beds’. The students have been enjoying these changes during their play times.
