### Principal’s Report

#### PLAYGROUND UPDATE

If you have been up to the school recently you will have seen the new shade frames that have been erected during the last school holidays.

The covers are being made and will be up sometime over the next few weeks.

These shades are part of our playground development project, and we are very excited to see this work start.
LUNCH TIME CLUBS

We have started some lunch time clubs for the older students to provide alternative leisure activities.

A variety of options are provided each day, with different students attending.

One very popular activity is the Lego Club, using the Lego donated by Geelong Street Rodders last year.

eSMART

Thank you to students and parents for supporting our new Student Mobile phone arrangements.

If your child needs to bring their phone to school, please make sure that you and your child have signed and returned the agreement.
