School**

Barwon Valley School has an education
program at Oberon South Primary School.

This program provides students with special
education within a primary school setting.

BVS at Oberon South Primary School

Programs

Students are provided with a comprehensive special education program which is designed to meet individual needs. They also have access to mainstream classes, where appropriate. Students attend these classes with the support of Barwon Valley Staff.

Curriculum

The Program is developed within the Barwon Valley Essential Learning / AUSVELS Curriculum. Each student has an Individual Education Plan. The use of visual supports, visual schedules and information and communication technologies are embedded across the curriculum.

Facilities

- Warm friendly classrooms
- Library
- Art room
- Lunchroom
- Large oval
- Basket ball and netball courts
- Large shaded play ground areas

Primary School Experience

Students participating in the BVS Oberon South Program have the opportunity to participate in mainstream classes, swimming programs, special events, excursions and school camps.

Travel

Students travel to Barwon Valley School by bus. They are then transferred to another school bus and taken to Oberon South PS. This occurs four days a week. On the fifth day of the school week students attend BVS.

Uniform

Students are encouraged to wear the Oberon South PS uniform on the days they attend that setting.

Location of the BVS classroom

The BVS classroom is located in the main building of the primary school. It is a bright sunny room with views of the school garden.
