## Carer Solutions

### How our Direct Employ service works

We set you up to be the employer of your Support Workers, whilst taking care of your compliance, payroll and insurance obligations.

1  
You find someone you'd like to directly employ as your Support Worker.

2  
We conduct the compliance checks and formalise your employment agreements.

3  
You agree on the shifts you require and roster your supports for when you need them.

4  
Support Workers submit their timesheets for approval each fortnight.

5  
We take care of all your payroll and insurance obligations.

1300 729 839

## Carer Gateway

Carer Gateway is an Australian Government program providing free services and support for carers.

Carer Gateway provides many services to support carers in their caring role, including, in-person and online peer support groups, tailored support packages to help with accessing planned respite, transport services, and more, in-person and phone counselling, in-person and online self-guided coaching, online skills courses to support your wellbeing and understanding of legal responsibilities relating to the caring role.
