Supported Decision Making in Victoria

Duncan.Legal presents a 30 minute Webinar that examines legal options for appointing a trusted person to support an adult disabled person to make, communicate and carry out their own decisions.

This webinar will provide information re: mental capacity, Supportive Attorney Appointments, Medical Support Person & Mental Health Nominee appointments, VCAT roles of Supportive Guardian & Supportive Administrator, and practical tips to put measures in place.

Disability Estate Planning

Duncan.Legal presents a 60 minute Webinar that examines 10 disability specific issues to consider when formulating Wills and Powers of Attorney that are to provide for a person with a disability.

This webinar will provide information re: types of protective trusts, who to appoint as trustees, asset protection strategies, preservation of pensions/government benefits, superannuation & life insurance beneficiary nominations, and some accommodation options for a disabled family member.

Special Disability Trusts

Duncan.Legal presents a 30 minute Webinar that explains SDTs as an option for persons with a severe disability.

This webinar will provide information as to: how to determine whether a SDT is appropriate; assessing eligibility; advantages & limitations; fund limits; the impact of asset and income testing; how to set up, operate and end a SDT; and some wider estate planning considerations.
